Dear Scott:

On behalf of the Boys & Girls Club of Craig, thank you for your spectacular donation of the Toshiba copier for the Club. You are the BEST! You always show up promptly when we're in "copy crisis", and you always have an incredibly positive attitude! What would you think of being our mascot for the Club? After all, our motto is the "Positive Place for Kids"! And on top of all your other talents, you're quite photogenic.

As you are well aware, your donation helps make it feasible for the Boys & Girls Club of Craig to meet its mission to inspire and enable the young people of Moffat County to realize their full potential as productive, responsible and caring citizens through life enhancing programs and character building experiences. And don't forget, we are always in need of volunteers should you decide you might like to spend some extended time at the Club helping with existing programs or teaching a special program.

Thanks a 1,000,000!
